Because racers participating in the Intermediate event should not be faster than racers in the Main event, a race time test is imposed. Four of the fastest racers in the Main event were asked to forerun the Intermediate Giant Slalom and Slalom courses, and the two* fastest times were averaged. Any racer in the Intermediate Event whose time on either course was within 10%* of the averaged forerunner times is disqualified from all Intermediate race events and will not be considered when determining individual or team awards. In addition, disqualified racer(s) must be promoted to the Main Event for future races.
