Because racers participating in the Intermediate event should not be faster than racers in the Main event, a race time test is imposed. Three of the fastest racers in the Main event were asked to forerun the Intermediate Giant Slalom and Slalom courses, and the single* fastest time was used to calculate if any disqualifications were required. Any racer in the Intermediate Event whose time on either course is within 20%* of the determined forerunner times is disqualified from all Intermediate race events and will not be considered when determining individual or team awards. In addition, disqualified racer(s) must be promoted to the Main Event for future races.
